SARGENTO[®]
Our Family's Passion is *Cheese.*

Sargento IQF products are perfect for poultry, omelet fillings, breaded products and much more.

Sargento cheese, meat and vegetable filling innovations include cooked, blended and formed matrixes and shapes, and are sized to meet your precise specifications. Our special IQF process provides you with custom products frozen individually and packaged according to your needs, all prepared in a USDA Meat and Dairy approved facility. From sauces to dips and sticks, our IQF product line offers variety as well as convenience. For more information on how our family of cheese experts can help, give us a call or visit us online at www.sargentofoodingredients.com.
